M Willmott reported that the deadline for Outlook is 12 January.

PCSO D Billing sent in the following report. During the month of December 2025 there were two crimes reported to Devon and Cornwall Police, these were: 1 x Criminal Damage - Still under investigation. 1 x Harassment without violence – Still under investigation. The Criminal Damage is the graffiti that appeared throughout the local area, we have gathered a lot of CCTV from various locations but have been unable to identify the suspect. The investigation is still ongoing.

Councillor Gibbons confirmed that the Police are investigating the spate of graffiti. There is a delay on the Station Road roadworks. The budget consultation runs until the 27 January. Cornwall Council are looking at the maximum increase of 4.9% on the Council Tax. The deadline for the Community Highways Improvement Programme is the 27 February. The Local plan is being prepared.

26/005 Planning

Applications

There were no objections to the following application:-

- PA25/08170 Colvase Barton Widegates Construction of a replacement dwelling with associated amenity and access and garage, following Prior Approval PA25/03432.

Comments were made on the following application. This track was upgraded at the end of last year from a rough farm track to a new concrete track. Since this upgrade occurred we have noticed that Lydcott Lane has been flooded on several occasions which to our knowledge had not occurred as frequently before the concrete was laid. The new barn would exacerbate the flooding problem and we suggest the applicant needs to address the drainage/runoff issues prior to construction of the new barn:-

- PA25/09427 Lydcott Barns Widegates Prior notification of agricultural or forestry development for an agricultural barn.

Approved

- PA25/08534 Tudor Lodges Morval Non material amendment in relation to decision notice PA25/01830 dated 21/08.2025 to vary the parking layout and some internal boundary fence positions and to remove part of the decking to Unit 2
