09.06/03 Minutes of a meeting of Morval Parish Council held on Wednesday 22nd August 2018

It was proposed, seconded and **RESOLVED** that the minutes of the meeting held on 22nd August 2018, after a small amendment, were an accurate record of the meeting.

09.06/04 Play Area

Each Councillor was given the opportunity to express their own opinions, which was followed by further discussions. The final decision by the council was influenced by:

- the Draft Lease received, which left more questions unanswered
- a lack of certainty surrounding the future of the play area and its location
- a lack of funding opportunities due to time delays in having a Lease available
- concerns regarding a lack of community interest (only 2 members of the public really involved, partly because of interest dwindling over the years)
- potential maintenance/insurance costs.

It was finally proposed, seconded and **RESOLVED** that:

We, the councillors of Morval parish council, decline the offer of a Lease in favour of Cornwall County Council ensuring that the Leap Scheme obligation under the S106 agreement is fulfilled by the landowners and their developers.

The Clerk was asked to ensure that all interested parties were informed of this decision.

The meeting closed at 8:10pm
