01.20/04 Minutes of a Meeting of Morval Parish Council held on Wednesday 04th December 2019

It was proposed, seconded and **RESOLVED** that the minutes of the meeting held on 04th December 2019 were an accurate record of the meeting.

01.20/05 Devon and Cornwall Police Report

PCSO Dave Billing sent his report via email which advised that during the month of December 2019 there were no crimes reported within the parish.

Still looking for volunteers to form a Speed Watch Team, anyone wishing to volunteer is asked to contact him on his email: looe@devonandcornwall.pnn.police.uk

01.20/06 Neighbourhood Development Plan

It was reported that unfortunately there had been little progress since the last meeting due to illness within the steering group. The questionnaires had not been given out, as planned, during the Christmas period. However, they now wanted to crack on with it.

The Clerk had requested, previously, a spreadsheet of future expenditure to enable the council to apply for a grant from Locality. This was still to be completed.

01.20/07 Cornwall Councillor Report

Cllr Pugh gave an overview of his activities that may affect the parish since the last meeting.

Within the report the following was included:

- Plans for the Waste Services (collection and disposal) are still pending completion. However, we should hear very shortly who has been given the contract.
- Extra money is being allocated to bus transport and routes.
- An example of how the Enforcement Team can be instrumental in stopping people doing what they want to do, without permission, was presented. The Councillors should be reassured that, where necessary, action can be enforced.

Cllr Kitson left the meeting.

01.20/08 Planning Applications and Related Matters

Response to:

PA19/09908 – Change of use of eight holiday units to open market dwellings and associated works – Wringworthy Holiday Cottages, Wringworthy Farm, Morval. - After much discussion and looking at the plans it was proposed, seconded and **RESOLVED** to support this application.

Cllr Kitson returned to the meeting.

01.20/09 New Planning Committee

The Councillors felt that it would be a good idea if they could receive, by email, any new notification of a planning application. They would then be able to research it further and make their own decision as to whether they would like to liaise with Cllr Pengelly to discuss the 'nitty gritty' before the next meeting.

It was therefore decided that a new committee was not necessary, but it would give the Councillors a chance to have a good look at the plans before they make a decision at the next meeting.

We will continue to encourage applicants to make a presentation when their planning applications are discussed at the full meetings.

01.20/12 Ongoing Parish Matters

The following outstanding items were updated in the meeting:

- (a) **Speed Display Sign** – the Clerk received an email advising that there will be a delay as there have been some issues identified with the monitors that Cornwall Council provide. We will be advised when resolved.
- (b) **Grit Bins** – the bins can now be collected from Notter Bridge. Cllr Tamblyn will make arrangements to collect them as soon as possible.
- (c) **Defibrillators** – the Clerk advised that he was not receiving replies to the emails he was sending to Duchy Defibrillators. It was agreed that unless we get a positive response before the next meeting we will seek a new supplier.
- (d) **Bins on pathways in Widegates** – there have been a number of comments made regarding waste collection bins being left on the path, not only on waste collection days but constantly, causing residents to deviate from the path to get by. Cllr Collings agreed to knock on the residents door to see whether this can be prevented from happening in the future.

01.20/13 Correspondence Received

The following items of correspondence were introduced in the meeting:

- (a) We have been notified that there will be a delay in the re-surfacing work between the Sandplace junction and the Venton Vanes junction on the A374. The Clerk was asked to contact Street Works to see whether the hedgerows can be cut back further at Venton Vanes as the overhanging bushes and tree branches are making it narrower to drive through.
