A week of overnight closures on A30 There will be a week of overnight closures on multiple parts of the new A30 around the new Chiverton gyratory up to Carland cross. They will take place between 8pm and 6am, Friday 9 May, to Friday 16 May.

National Highways are implementing the closures for final resurfacing and white lining work and other minor final works.

There are overnight A30 Eastbound road closures, works affecting slip ways and closing of the Chiverton gyratory and closures of the B3284 around Chybucca. Please visit the National Highways website for detailed information

Through traffic on the A30 dual carriageway westbound will not be affected. Diversions will be in place for access to and from Truro and other locations.

and diversions.

Please plan ahead and allow extra time for your journey.
